

Near-Term Concept Plan

TABLE 4

1. Never get action on previous plans.
2. Consolidation in West is good progress.
3. How realistic is the linear stream idea?
 - A. Elevation changes on the West - is that practical?
 - B. Should it include bikes?
4. When does Snyder Trail Connect? - more as connection.
5. Road connection
 - ① Orchard to West? Walnut bike
6. How do you get from West to East both North & South of Northway?
7. Metro Station ← leave it open for future plans
8. Access on old railroad right of way from Moskey Woods to link up to University Spine to the University
9. What about the area on the South side of Fairfax Blvd as part of the SAP.
10. How much taxpayer money is involved?
 - A. Shared expense in development?
 - B. Relax building restrictions on height & density?
11. Public art in the green space
12. Environmental motif is a good idea, i.e. eco district
13. Smarter growth principles are good
14. Broad appeal not just local. Not another Mosaic but ~~different~~ mosaic-like. Needs to be an appeal.
15. "Northway" is + unappealing
