

City of Fairfax, Virginia
10455 Armstrong Street • Fairfax, VA 22030-3630

Memorandum

DATE: January 13, 2025

TO: Design Professionals, Developers, Development Consultants, Builders, Contractors, and any others conducting property research in the City of Fairfax

FROM: Department of Community Development & Planning

SUBJECT: Notification to Industry – “City Map” interactive mapping tool

This notice is to inform you of an important update regarding access to property information in the City of Fairfax.

The City has launched a [new interactive mapping tool](#), designed to provide enhanced access to property data and mapping layers.

This tool allows users to either learn property information about specific parcels by clicking on them or view land use data at the city scale by toggling layers on and off. It includes valuable property information such as zoning, future land use, floodplain, and other key attributes.

You can begin exploring the mapping features at [this link](https://experience.arcgis.com/experience/630fb684d51d479bb88a438ddf788043/) (https://experience.arcgis.com/experience/630fb684d51d479bb88a438ddf788043/).

For those that may have previously used the City’s “Interactive Zoning, Floodplain and Resource Protection Area, and Land Use Map” mapping tool, the information available in that tool has been folded into the new tool with new features and functionality, so please be advised that tool will soon be retired and no longer available. Please redirect any saved bookmarks in your browser to the [new interactive mapping tool](#) for continued easy access to important information in the City of Fairfax.

For questions, please contact the Department of Community Development & Planning (703-385-7930).
