Message From Chief O'Neal

FEBRUARY 25, 2025

Dear Residents of the City of Fairfax,

On behalf of our dedicated, compassionate, and service-oriented members of the City of Fairfax Fire Department, it is an honor to share with you our 2024 Annual Report that highlights many of our accomplishments and services provided to the community.

In the past year, our team has worked tirelessly to enhance our emergency and non-emergency services, deepen community engagement, and adapt to the evolving needs of our city. The city and department also took great strides to address capital projects and enhance emergency medical service delivery.

Thanks to the hard work and dedication of our members, I would like to highlight a few of our successes:

- In partnership with our Fairfax Volunteer Fire Department (FVFD) partners, we transferred ownership of Fire Station 3 to the city.
- The city purchased property for the future Fire Station 3.
- Implemented the whole blood administration program for traumatic injuries and other severe blood loss victims.
- With city-elected leadership support, developed and initiated implementation of the EMS in-house pharmacy program to comply with federal and state pharmacy regulations.

While we cannot list every accomplishment, significant event, or challenge from last year, this report shares many of our successes, statistics, and accomplishments for our stakeholders to review. I am truly honored to serve our city and the men and women of our department, which provides life-safety emergency services and community risk-reduction activities to protect life and property.

In closing, I would like to extend my deepest gratitude to our career and volunteer members for their service, the mayor, city council, and our citizens for their continued support, and the city leadership team for great collaboration to help us to accomplish our mission.

Respectfully submitted,

A handwritten signature in black ink that reads "John O'Neal".

Fire Chief

Mission, Vision, & Core Values

Vision: Preparing today to provide a safer tomorrow.

Mission: To protect our community through risk reduction, readiness, response, and recovery.

P.R.I.D.E. ...in action

General Information

The department delivers both emergency and non-emergency services to the city and surrounding areas through a robust automatic aid system, operating from two strategically located fire stations. Services include fire suppression, emergency medical response, technical rescue, building and fire code enforcement, disaster preparedness, and hazard mitigation.

With a full-time equivalent (FTE) staff of 85 personnel, the department maintains daily staffing for two specialized engine companies, one tower ladder, two advanced life support transport units, and one battalion chief. The department is divided into three major cost centers: fire administration, operations, and code administration.

Fire Administration

The fire administration division is responsible for and coordinates budgeting, strategic planning, performance measurement, operational policy development, EMS protocol development, human resources, training, disaster preparedness, employee health, safety, and wellness.

\$18,614,192 FY-25 Adopted Budget

Administration Accomplishments

- Recognized by the American Heart Association for achieving the Lifeline Gold Plus standard for providing outstanding cardiac care for a fifth consecutive year.
- Maintained Commission on Fire Accreditation International, Inc. (CFAI) accredited agency status through annual compliance reporting.
- Completed the peer team site visit for a second five-year term for CFAI accreditation (with the commission hearing set for 2025).
- Continued the feasibility study to replace Fire Station 3 in partnership with the Fairfax Volunteer Fire Department, Inc. (FVFD)
- Transferred ownership of Fire Station 3 to the city.
- The city purchased land for the future Fire Station 3.
- Completed the peer team site visit for the Emergency Management Accreditation Program. (Commission hearing set for 2025)
- Conducted 19 emergency management exercises, drills, and training sessions.
- Updated 46 emergency plans, checklists, and operations policies.
- The EOC monitored 61 weather and other public events for reporting and awareness.
- Sought and implemented a new EMS billing contract.

2024 Mission: Lifeline® EMS Recognition

The American Heart Association proudly recognizes

City of Fairfax Fire Department
Fairfax, Virginia

Mission: Lifeline®-EMS - GOLD
Achievement Award

The American Heart Association/American Stroke Association recognizes this prehospital provider organization for demonstrating continued success in using the Mission: Lifeline® program. Thank you for applying the most up-to-date evidence-based treatment guidelines to improve patient care and outcomes in the community you serve.*

Community Risk Reduction

The fire department is strategically positioned to mitigate risk in the City of Fairfax. Our firefighters, medics, and inspectors engage with the community daily, gaining valuable insights through medical calls, inspections, and emergency responses. These real-time assessments guide our educational programs and prevention initiatives, allowing us to proactively address safety concerns and reduce potential hazards.

Overall Accomplishments

- The city council presented public proclamations for CPR awareness, mental health awareness, emergency preparedness, and fire prevention months.
- Hosted our annual Fall Festival open house in conjunction with fire prevention month activities.
- For a third year, provided hands-only CPR training to over 1,100 students and faculty at Katherine Johnson Middle School, in collaboration with Gwyneth's Gift Foundation and the Fairfax City School Board.
- Taught hands-only CPR to St. Leo the Great Catholic School students and assisted in their Heartsafe recognition.
- Participated in National Night Out events with our police department partners throughout the city.
- Participated in numerous neighborhood Halloween parades and Santa rides.

Code Administration Public Education

- 78 School Programs
- 26 Public Programs, Including FVFD Programs
- 33 Public Safety Trailer Use
- 84 Smoke Alarm Installations
- 276 Number of Adult Contacts
- 1,675 Child/Adolescent Contacts

Office of Emergency Management

- 225 attendees at the Fairfax Village Home for Life Expo.
- Over 150 attendees at the City Preparedness Fair held at the Sherwood Center.
- Published two preparedness newsletters.

Fairfax Volunteer Fire Department

- Held six combined hands-only CPR/AED, stroke recognition, stop the bleed, and fire safety classes for a total of 70 attendees.
- Conducted 69 multi-family building fire safety inspections.
- Provided hands only CPR training to 22 Girl Scouts.
- Installed and/or changed smoke detector batteries in nine residences.

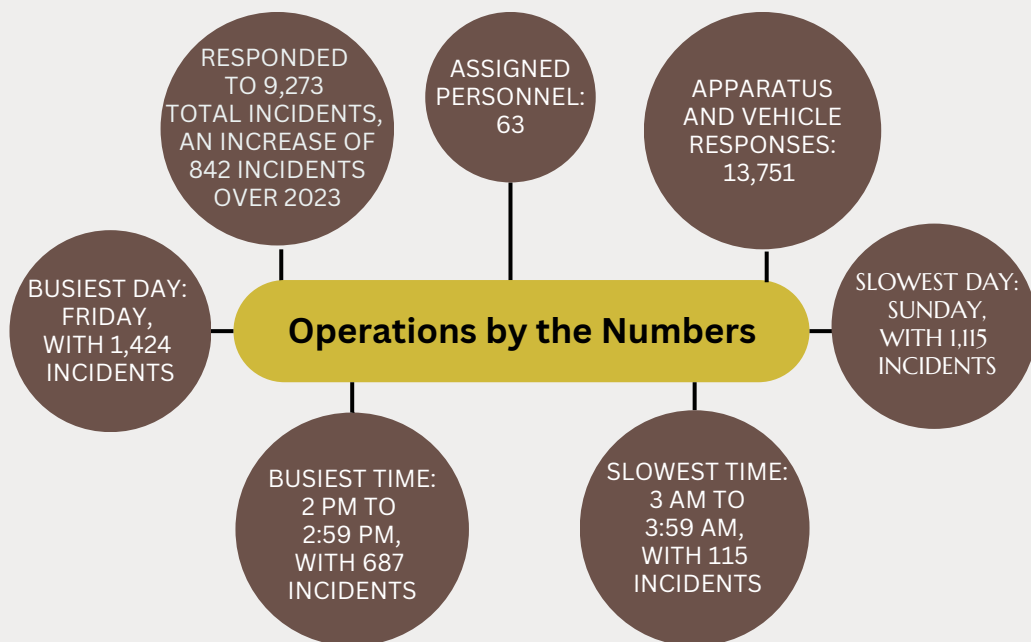

Community Paramedic Outreach

- Conducted 45 in-home fall assessment surveys.
- Presented fall prevention and fire safety information for Fairfax Village - Life Expo.
- Presented three fire safety training events targeting older adults.
- Conducted seven hands-only CPR classes and four stop the bleed courses for the community.
- The community response team responded to 365 calls for service.

Operations

Training Achievements

- Completed annual rope training drills for each shift.
- Conducted annual live burns for each shift.
- Eight students completed rescue engine school.
- Seven rescue engine members completed minimum staffing requirements.
- Completed driver task books: one rescue engine, three foam engine driver books, and one tower ladder driver task book.
- Completed tasks books for the following disciplines: seven for fire minimum staffing, one tower officer in charge (OIC), one rescue engine OIC, two foam engine OIC, and two command OIC.
- Completed seven advanced life support (ALS) minimum staffing task books and two medic OIC task books.
- Completed three swift water technician task books.
- Four completed ALS mini school.
- Delivered the department's annual continuing medical education program maintaining state and national certifications.

Personnel completed ***more than 30,238*** hours of fire, rescue, and EMS training.

Fire Statistics

- Responded to 207 fire incidents in the city & county.
- 90th percentile first unit response time: 6 min 19 secs
- Completed 582 pre-incident building plans.
- Fire loss from fire: \$218,550
- Property value: \$280,055,250
- Busiest engine: Foam Engine 403 with 2,850 responses

Operations Accomplishments

- The swiftwater rescue team was part of a joint task force that responded to catastrophic flooding in southwestern Virginia.
- Five firefighters/EMTs attended and graduated from paramedic school.
- One paramedic graduated from firefighter school.
- Three fire-medics completed the critical care paramedic program.
- A foam committee was formed to work toward green foam implementation and the development of a new foam engine platform.
- Implemented the EMS whole blood administration program.
- Conducted cardiac monitor, defibrillator, and ventilator product trials for future implementation.
- Made significant progress towards establishing the EMS in-house pharmacy program.

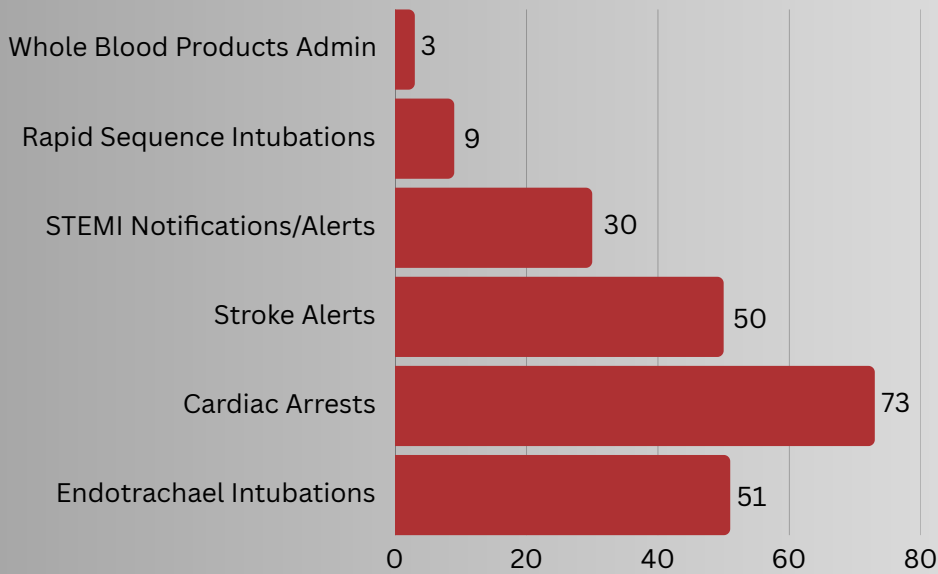

Operations

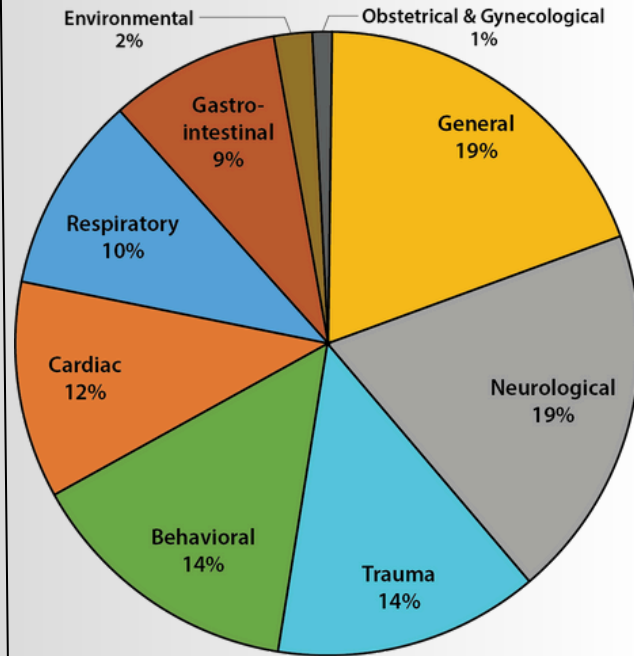

Rescue & EMS Statistics

- Responded to 6,278 Rescue & EMS incidents
- 90th percentile, first unit response time: 7 min 53 secs
- Treated and transported 3,385 EMS patients
- Average EMS transports per day: 9.27
- Busiest medic unit: Medic 403 with 2,715 responses
